Measuring and Height Card Information

Exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 24C" height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

Jump Height Card Process: When filling out the entry form, there is a box on the form for exhibitors to designate whether their dog needs to be officially measured. Please indicate (by checking the box) if your dog needs to be on the Dogs To Be Measured List. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.

Notice to Exhibitors

The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

Waterproof cloth or tarps must be placed underneath crates. Crating space is limited. Unentered dogs may be asked to leave. High occupancy ex-pens (3 dogs or more) ONLY.

The terms of the facility contract make it necessary for us to completely clear BOTH RINGS after the end of the Friday trial (ONLY) for other scheduled events on Friday evening. ALL crates, chairs, etc. must be removed. We will not have to clear either ring after the Saturday trial. The facility generally provides a place to "park" the stuff, and we'll let you know as soon as we have details.

IMPORTANT NOTICE: Crate aggressive dogs or dogs who create a disturbance must be covered and monitored by owners and may not be positioned in heavy traffic areas. The Event Committee may limit or move an exhibitor's crating area if it is in the best interests of the trial.

Dogs MAY NOT be left overnight. Capital Dog Training Club will not be responsible for any lost or damaged items left at the trial site.

All dogs must be on a leash at all times except when in the ring or when in the designated agility warm-up area.

Food will be available on site all three days. No alcoholic beverages are allowed on site.

Exhibitors are responsible for being at the ring gate when it is their turn to run.

Catalogs may be pre-ordered for \$10.00 with your entry. A very limited number of catalogs will be available for sale on the trial date.

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. Entry fees shall not be refunded in the event that a dog is absent, disqualified, excused by a veterinarian or judge, or barred from competition by action of the Event Committee.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the trial site. In such case, no refund of any fees paid will be made. CDTC and its agents, employees, etc. will assume no responsibility for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the trial grounds.

CDTC does not agree to arbitrate claims as set forth on the official AKC entry form for this event.

Refund Policy

Bitches in season are not permitted to compete in agility trials. The Club will refund 50% of the entry fee for bitches unable to compete for that reason upon presentation of a note from a veterinarian stating that the bitch is in season. Full refund will be made for deceased dogs provided notification is made to the Trial Secretary prior to the start of the trial. No vet note required.

Clubs must list in the premium all situations for which they will provide a refund. Refunds will not be made for any circumstance other than those listed. This includes but is not limited to injured handlers, death in the family, other owner/handler emergencies. Clubs/Trial Chairs/Trial Secretaries cannot make exceptions or honor refund requests for situations not listed. (AKC Regulations for Agility Trials, Chapter 1, Section 9.)

*All veterinarian notes must be signed, dated after the closing date, on official business letterhead and presented to the Trial Secretary no later than one half hour prior to the start of judging on the first day of the trial. After that time, refund requests will not be accepted. Please note: Phone calls, "text only" emails and non-letterhead notes will not be considered. Vet notes may not be written by owner, handler or immediate family member.

Acceptable forms of presentation:

- Scanned vet note (signed, dated, on letterhead) emailed to secretary (agilitysec@clantyre.net)
- Fax: 410-997-7918
- Mail: Clantyre Show Secretary Services, 5474 Delphinium Court, Columbia, MD 21045
- Hand delivery to trial

Judge Biographies

Frank Gilmer

My name is Frank Gilmer and I have been doing agility for around 18 years. Most of that time has been spent playing this game with Chinese Cresteds. I actually got my start at Capital. I saw agility on television and thought what a great way to spend some time with my dog! I lived in Silver Spring at the time and the CDTC building was less than five minutes from my house. So every thing I do wrong is their fault (just joking). They gave me a great base to my training. My first trained dog never got a chance to compete. She passed away far too young. That void was filled by Stella. She came into my life as a conformation show dog but her breeder said her mother loved to jump around. We have been on a wild ride. She and I attended the AKC Invitational several times and finished 6th in the finals. We've also been to many AKC Nationals. Accuracy has never been a big thing with Stella so I learned very early on that this is a game I get to do with my dog and I better learn to have fun no matter what the outcome. I try to treat every run like it could be our last and with Stella being over 14 now I never know when we will have our last adventure in the ring.

Mark Upshaw

I'm Mark Upshaw, I've been involved in agility since 1995. I became the course builder for my first club, South Coast Agility Trainers. I was chief course builder professionally for 15 years in Southern California. I started competing with my first Tervuren (I have eight of them now) and have been addicted ever since. I think agility is the most fun you can have with dogs.

I trained Agility in Riverside, California starting in 1999. I reconnected with my High School sweetheart, Rhonda, in 2014 and moved to Miami FL where I did some agility training and competing. In fall of 2016, Rhonda and I moved to Bloomsburg PA.. As soon as I get through winter, I hope to start training and competing here in Pennsylvania.

I've been an agility judge since 2005. I really enjoy judging. It's fun to watch the dogs as they run through the course. The joy in their eyes as their handler guides them through the course is awe inspiring. I like to watch the barking snorting and snarling ones the best, especially in the weaves. And it's great hearing the handlers communicate with their teammate. I've continued to Judge through my moves, and hope to judge for a long time to come.

JUST FOR FUN!

Friday:

Wear your favorite dog shirt! (breed, club, etc.)

Saturday:

"Capital Challenge" 2-Dog Pair Competition

This non-regular class will be open to dogs eligible to compete in regular AKC agility classes.

The event will take place immediately following the regular classes on Saturday. Regulation AKC agility equipment will be used, no modifications.

The course will be a "nested" course (Path 1 "Big" / Path 2 "Small"), run by a "pair" of 2 handlers and 2 dogs of the same jump height (regular or preferred - does not matter). Both Paths must be run, each by a different dog. Path 1 will be longer and more difficult; Path 2 will be simpler and shorter, giving all levels of competitors the chance to participate.

There will be 2 tables, which will be the start/end of each "path". Path 1 will be run first. When Dog 1 finishes the course and reaches the table, Dog 2 may immediately begin Path 2. The timer stops when Dog 2 reaches the table at the end of their course. Lowest cumulative time wins.

Scoring:

No refusals

Wrong course: + 5 seconds

Dropped Bar: + 5 seconds

Dog #2 leaves the start table early: + 10 seconds

Pairs may not be duplicated, but each dog can be on a maximum of 3 different pairs.

Ribbons will be awarded for the winning pair in each jump height.

Come and join us in the fun!! Sign-up is on the day of the event.

Sign up as a pair *or* have the club pair you with someone else that has signed up in the same jump height.

Entry fee is \$5 per person/per run.
